WHO IS IT FOR?

Targeted at professionals, entrepreneurs, and business leaders aiming to develop strategic capabilities to create, manage, and scale businesses by integrating innovation, data analytics, and leadership to generate value in competitive environments.

VALUE PROPOSITION

Business creation and scaling

Develops capabilities to identify opportunities, design business models, and transform ideas into sustainable ventures with growth potential.

Business strategy

Integrates environmental analysis tools and strategic thinking to lead organizations and respond to competitive market challenges.

Analytics and technologies for decision-making

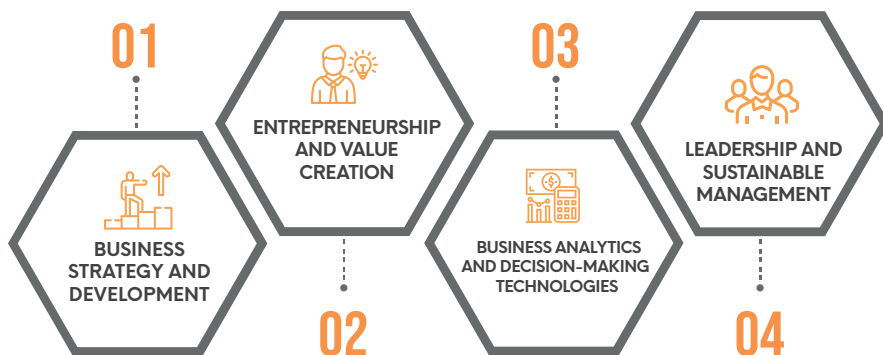

Strengthens the ability to transform data into strategic information through analytical tools and emerging technologies applied to business.

Entrepreneurial leadership for value creation

Strengthens a professional entrepreneurial and strategic mindset to manage organizations, develop new businesses, and drive solutions with sustainable impact.
