#### RESUME SUMMARY

With more than 10 years of experience in the area of textile printing, I am a Graphic Design and Advertising graduate committed to excellence and innovation in each project. My professional career is characterized by a constant updating in printing advances, both in screen printing and textile sublimation, ensuring cutting-edge results and outstanding quality.

Throughout my career, I have demonstrated a proactive ability to adapt to technological changes and market trends, which has allowed me to offer creative and effective solutions to design and production challenges.
