RESUME SUMMARY

MSc. in Design and Branding with more than 20 years of teaching experience in several universities in the country, as well as professional experience in the field of audiovisual communication. For more than 8 years he has been guiding students in their graduation process to obtain a degree in Audiovisual Production. He obtained several awards such as diploma of honor to the teaching merit, best tutor of community practices and others. Author and co-author of relevant works and member of research projects. He currently holds the position of mobility coordinator and is passionate about his professorship and strives every semester to impart new knowledge to students.
